

Wilson Medical Center

has been Accredited by The Joint Commission which has surveyed Wilson Medical Center and found it to meet the requirements for accreditation. Effective July 10, 2009

The Joint Commission is an independent, not-for-profit national body that oversees the safety and quality of health care and other services provided in accredited organizations.

Anyone who believes that he or she has information or concerns about safety and quality is encouraged to contact the organization's management. If the concern cannot be resolved through the organization, the individual is encouraged to contact The Joint Commission. The public may contact The Joint Commission to report concerns by either calling 800-994-6610 or emailing [www.jointcommission.org](http://www.jointcommission.org).
